some major medium industries in Orissa during the Seventh Plan Period;

(b) if so, what is the number of medium and major industries set up in Orissa during that plan period;

(c) what is the location of those units and how many of them have started commercial production; and

(d) what are the details thereof?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (d) Government have not set up any new central public sector enterprise in Orissa during the 7th Plan Period. But during the first three years of the 7th Plan *i.e.* from 1.4.1985 to 31.3.1988, the investment in terms of gross block in central public sector enterprise has increased by Rs. 2109.48 crores.

Criteria for the Establishment of Growth Centres in the Backward Areas

583. SHRI D.B. CHANDRE GOWDA: Will the Minister of INDUSTRY be pleased to state:

(a) whether Government have spelled out the criteria for the establishment of growth centres in the backward areas of the country;

(b) if so, what are the details thereof;

(c) what are the locations where these growth centres would be established; and

(d) to what extent the target of the industrial growth in backward areas will be achieved?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) Yes, Sir.

(b) The guidelines for selection of Growth Centres are as follows:

(a) The Growth Centres shall be located outside the distance criteria, that is, they shall not be within 50 Kms from the boundary of the 7 cities with a population above 25 lakhs; 30 Kms from the boundary of the 2 cities with a population of above 15 lakhs but below 25 lakhs and 15 Kms from the boundary of the 12 cities with a population of 7.5 lakhs but below 15 lakhs.

(b) The Growth Centres shall be located close to District/Sub-Divisional/Block/Taluk Head Quarters or Developing Urban Centres.

(c) The Growth Centres shall have access to the following basic facilities:—

(i) Proximity to Rail heads, National or State Highways. If there is no such Highway going nearby, the State Government should give a firm and time bound commitment for providing connection to such Highway.

(ii) Proximity to adequate and dependable source of water supply.

(iii) Proximity to adequate and dependable source of power.

(iv) Access to telecommunication facilities. If such facilities are not already available, it should be ensured that the Department of Telecommunications gives adequate priority to provide these facilities in their plan.

(v) Availability of reasonable educational and health facilities. If there are no such facilities, the State Government should give a firm and time-bound commitment to provide them.

(vi) As far as possible, the selection of Growth Centres should not lead to undue diversion of fertile and available agricultural lands. Furthermore, sufficient land should be available for development of housing facilities and for promoting tertiary activities.

(vii) The Growth Centres should not be located in ecologically sensitive areas and they should not lead to denudation of forests. Provided further that, in sensitive areas only industries permitted by the Department of Environment shall alone be located.

(viii) The Growth Centres should be selected on the consideration that its

sphere of influence would cover a radius of about 20-25 kms.

(c) State Governments have been asked to submit their proposals for selection of growth centres as early as possible, preferable by 30th April, 1989.

(d) Since the growth centres would be provided with infrastructural facilities of a very high order, they are expected to attract industries to backward areas.

New Industrial Policy for Punjab

584. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of INDUSTRY be pleased to state:

(a) whether a new industrial policy for Punjab is under active finalisation by the Central Government;

(b) if so, by when the said industrial policy for Punjab would be announced; and

(c) to what extent the new policy will give a new thrust and direction to the industrial economy of the State?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) No, Sir.

(b) and (c) This is a matter falling within the purview of the State Government and it is reported that the State Government have recently announced a policy to further encourage industrial development in the State.

Closed Production Capacity in the Paper Industry

585. SHRI SHIV PRATAP MISHRA: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that the closed production capacity in the paper industry is increasing; if so, what is the capacity lying closed as on 31st January, 1989; and

(b) what steps Government have taken/propose to take to remove sickness of the paper industry?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) According to the records of Directorate General of Technical Development, 72 units accounting for a capacity of about 5.56 lakh tonnes, engaged in the manufacture of paper and paperboard, are not reporting production.

(b) Various reliefs and concessions have been extended in recent years to enable the paper industry in general to grow and improve its capacity utilisation and financial viability. In the Budget for 1988-89, a reduction of Rs. 100 per tonne in excise duty applicable to small paper mills and a reduction of Rs. 300 per tonne in the case of other mills using non-conventional raw materials had been granted. Financial Institutions are already providing assistance for modernisation at concessional rate of interest. A flexible approach is adopted by the Institutions with regard to the promoters' contribution and debt equity ratio based on merits of each case. Rehabilitation assistance is also extended by the Institutions to eligible units, which include rescheduling of term loans, reduction in working capital margin and interest rates.

Directions to the Public Sector Cement Units to improve their capacity utilisation

586. SHRI D.B. CHANDRE GOWDA: SHRI SHANTI TYAGI:

Will the Minister of INDUSTRY be pleased to state:

(a) whether Government have urged the public sector cement units to improve their capacity utilisation;

(b) if so, what are the details of production made by each of the public sector cement unit during the past three years;

(c) what steps have been suggested by Government to improve the capacity; and

(d) whether the targets of cement production are likely to be achieved during
